

A close-up photograph of a mossy rock with a small streamlet flowing over it. The rock is dark brown and covered in green moss. The water is clear and flows in a small channel. The background is a soft-focus green, suggesting more vegetation.

Genesis 04:14 Behold, thou hast
driven me out this day from the
face of the earth; and from thy face
shall I be hid; and I shall be a
fugitive and a vagabond in the
earth; and it shall come to pass,
that every one that findeth me
shall slay me.
