

A serene autumn landscape featuring a calm body of water, likely a pond or a slow-moving stream. The water's surface is a mirror, reflecting the surrounding environment. In the foreground and midground, there are lush green grasses and various trees with leaves in shades of green, yellow, and orange, indicating the season. The background shows more trees and foliage, some of which are reflected in the water. The overall atmosphere is peaceful and natural.

**Genesis 07:02 Of every clean beast
thou shalt take to thee by sevens,
the male and his female: and of
beasts that are not clean by two,
the male and his female.**
