

A close-up photograph of golden wheat stalks, showing the intricate details of the grain and the long, thin awns. The wheat is in sharp focus in the foreground, while the background is slightly blurred, creating a sense of depth. The overall color palette is warm and golden, typical of mature wheat in late summer or autumn.

**Genesis 11:07 Go to, let us go down,
and there confound their language,
that they may not understand one
another's speech.**
