

A lush green forest scene featuring a waterfall and a stream. The waterfall is on the left, with water cascading down mossy rocks. The stream flows from the waterfall towards the right, surrounded by dense green foliage and moss. The water is clear, reflecting the surrounding greenery. The overall atmosphere is serene and natural.

Genesis 24:21 And the man
wondering at her held his peace,
to wit whether the LORD had
made his journey prosperous or
not.
