

A vibrant garden scene with a wooden raised bed in the background. The bed is filled with a variety of green plants and small yellow and pink flowers. In the foreground, there are large green leaves and black arched supports, possibly for a trellis or archway. The overall atmosphere is bright and sunny.

Genesis 43:15 And the men took
that present, and they took double
money in their hand, and
Benjamin; and rose up, and went
down to Egypt, and stood before
Joseph.
