

A close-up, high-angle photograph of a dense cluster of bright red geraniums. The flowers are in various stages of bloom, with some showing vibrant red petals and others as small green buds. The green leaves are small and serrated, filling the spaces between the flowers. The lighting is bright, creating a high-contrast scene with deep reds and lush greens.

Exodus 28:07 It shall have the two
shoulder pieces thereof joined at
the two edges thereof; and so it
shall be joined together.
