

A close-up photograph of a single, fully bloomed red rose. The petals are a deep, vibrant red with some lighter, almost white, variegation towards the center. The rose is set against a background of lush green leaves, which are slightly out of focus. The lighting is bright, highlighting the texture of the petals and the serrated edges of the leaves.

Exodus 30:04 And two golden rings
shalt thou make to it under the
crown of it, by the two corners
thereof, upon the two sides of it
shalt thou make it ; and they shall
be for places for the staves to bear
it withal.
