

A close-up photograph of a waterfall. The water flows from right to left, cascading down several rocky ledges. The water is a mix of clear blue and white foam from the spray. Sunlight reflects off the wet rocks and water, creating bright highlights. The background consists of dark, mossy rocks and some green foliage at the top.

Leviticus 25:35 And if thy brother
be waxen poor, and fallen in decay
with thee; then thou shalt relieve
him: yea, though he be a stranger,
or a sojourner; that he may live
with thee.
