

A low-angle photograph of a pine tree branch with several brown pine cones against a clear blue sky. The branch is covered in green needles and small brown buds. The pine cones are clustered together, some pointing upwards and others downwards. The background is a solid, clear blue sky.

Leviticus 27:27 And if it be of an  
unclean beast, then he shall  
redeem it according to thine  
estimation, and shall add a fifth  
part of it thereto: or if it be not  
redeemed, then it shall be sold  
according to thy estimation.
