

A close-up photograph of several large, rounded clusters of pink hydrangea flowers. The petals are a soft, vibrant pink, and the flowers are densely packed. Green leaves with serrated edges are visible between the flower clusters. In the background, a white lattice fence is partially visible, slightly out of focus.

Numbers 03:43 And all the
firstborn males by the number of
names, from a month old and
upward, of those that were
numbered of them, were twenty
and two thousand two hundred
and threescore and thirteen.
