

The background of the image is a photograph of a canyon. In the foreground, there are dense green trees with some yellowing leaves, suggesting an autumn or late summer setting. The middle ground shows a valley with more trees and a small body of water or a dry riverbed. The background is dominated by steep, reddish-brown rock cliffs with visible vertical fissures and ledges. The lighting is bright, casting shadows on the rock faces.

Judges 19:18 And he said unto him,
We are passing from
Bethlehemjudah toward the side
of mount Ephraim; from thence
am I: and I went to
Bethlehemjudah, but I am now
going to the house of the LORD;
and there is no man that receiveth
me to house.
