

2nd Chronicles 21:09 Then
Jehoram went forth with his
princes, and all his chariots with
him: and he rose up by night, and
smote the Edomites which
compassed him in, and the
captains of the chariots.

A close-up photograph of a butterfly, likely a member of the Pieridae family, resting on a vibrant green leaf. The butterfly's wings are a deep, velvety brown, and a prominent row of bright orange spots runs along the lower margin of the hindwings. The background is a soft-focus green, suggesting a natural, leafy environment.
