

A photograph of a potted plant with a variety of flowers. There are clusters of yellow flowers at the top, red flowers in the middle left, and a large cluster of white flowers with yellow centers at the bottom center. To the right, there are some purple and pink flowers. The leaves are green and serrated. The plant is in a red plastic pot, which is partially visible at the bottom. The background is a dark, textured surface, possibly gravel or mulch. The text is overlaid on the image in a white, serif font.

2nd Chronicles 29:32 And the
number of the burnt offerings,
which the congregation brought,
was threescore and ten bullocks,
an hundred rams, and two
hundred lambs: all these were for
a burnt offering to the LORD.
