

A close-up photograph of a cluster of small, daisy-like flowers. The flowers have white petals with a vibrant pink or magenta center. They are surrounded by lush green foliage, including long, narrow leaves and some smaller, darker green leaves. The background is slightly blurred, showing more of the same plants and some brown, dried leaves on the ground.

**Psalms 19:11 Moreover by them is
thy servant warned: and in
keeping of them there is great
reward.**
