

A close-up photograph of a rose bush. The image is filled with numerous dark red, multi-petaled roses in various stages of bloom. The leaves are a vibrant green, some showing signs of aging or damage with yellowing edges. The lighting is bright, creating strong highlights and shadows on the petals and leaves.

**Psalms 68:05 A father of the  
fatherless, and a judge of the  
widows, is God in his holy  
habitation.**
