

A close-up photograph of a bouquet of flowers. The bouquet is composed of numerous small, white, five-petaled flowers (baby's breath) on thin green stems. Interspersed among these are several larger, more prominent flowers. On the right side, there is a large, vibrant purple chrysanthemum with many small, pointed petals. Below it, a smaller, dark red chrysanthemum is visible. In the bottom right corner, a portion of a blue pansy with a yellow center is seen. The background is dark and out of focus, making the flowers stand out.

the secret place of the most High
shall abide under the shadow of
