

A close-up photograph of a pink daisy flower with numerous long, slender petals radiating from a dark brown center. Several clear water droplets are visible on the petals. In the background, another similar pink flower is partially visible, and to the right, there is a cluster of smaller white flowers with yellow centers. The background is a soft-focus green.

**Psalms 140:13 Surely the righteous
shall give thanks unto thy name:
the upright shall dwell in thy
presence.**
