

The background of the image is a steep, rocky hillside. The ground is covered with numerous dark, jagged rocks of various sizes. Sparse vegetation, including small green shrubs and dry, brownish grasses, grows between the rocks. The scene is brightly lit, suggesting a sunny day, with strong shadows cast by the rocks and plants.

Proverbs 14:31 He that oppresseth
the poor reproacheth his Maker:
but he that honoureth him hath
mercy on the poor.
