

Jeremiah 48:32 O vine of Sibmah, I
will weep for thee with the
weeping of Jazer: thy plants are
gone over the sea, they reach even
to the sea of Jazer: the spoiler is
fallen upon thy summer fruits and
upon thy vintage.

A dragonfly with a black body and red wings is resting on a textured, brownish surface. The dragonfly is positioned horizontally, with its head to the left and its tail to the right. Its wings are spread out, showing a vibrant red color. The background is a rough, uneven surface with various shades of brown and tan, suggesting a natural, outdoor environment. The lighting is bright, casting a shadow of the dragonfly onto the surface below it.
