

A close-up photograph of a plant with several bright pink flowers and large, dark green, velvety leaves. The leaves have a fine, fuzzy texture and are arranged in a cluster. The flowers are in various stages of bloom, with some showing yellow centers. The background is softly blurred, showing more of the plant and some light-colored foliage.

the twelfth year of our captivity, in
the tenth month , in the fifth day
of the month, that one that had

unto me, saying, The city is
smitten.
