

A close-up photograph of seaweed, likely a type of brown alga, featuring several large, green, bumpy, oval-shaped structures (possibly eggs or young sporophytes) attached to dark, leafy fronds. The background is a dense, out-of-focus mass of similar seaweed.

Amos 08:09 And it shall come to
pass in that day, saith the Lord
GOD, that I will cause the sun to
go down at noon, and I will darken
the earth in the clear day:
