

A scenic view of a river flowing through a dense forest. The river is surrounded by many fallen tree trunks and branches, creating a natural dam or barrier. The water is white and turbulent as it flows over the logs. The surrounding forest is lush with green foliage and trees. The overall scene is a natural, untamed landscape.

**Zechariah 12:08 In that day shall
the LORD defend the inhabitants
of Jerusalem; and he that is feeble
among them at that day shall be as
David; and the house of David
shall be as God, as the angel of the
LORD before them.**
