

A photograph of a garden bed. In the foreground, there is a large, healthy basil plant with vibrant green, serrated leaves and small, light-colored flowers. To the right of the basil, there are several petunia flowers in shades of pink, red, and purple. The plants are growing in dark brown soil. In the background, a wire mesh fence is visible, and beyond that, more greenery and a grassy area. The lighting is bright, suggesting a sunny day.

received one went and digged in
the earth, and hid his lord's
money.
