

A close-up photograph of a plant with large, rounded leaves. Some leaves are a vibrant green, while others are a deep, dark reddish-purple. The leaves are arranged in clusters, and the background is softly blurred, showing more of the same foliage. The lighting is bright, creating some highlights and shadows on the leaf surfaces.

Matthew 27:05 And he cast down
the pieces of silver in the temple,
and departed, and went and
hanged himself.
