

A close-up photograph of a garden scene. In the foreground, several yellow daffodils are in bloom, their petals bright and vibrant. Interspersed among them are purple pansies, some fully open and others as buds. The background is filled with more of these flowers and green foliage, creating a lush, spring-like atmosphere. The lighting is natural, highlighting the textures of the petals and the green leaves.

Mark 01:34 And he healed many
that were sick of divers diseases,
and cast out many devils; and
suffered not the devils to speak,
because they knew him.
