

A close-up photograph of three vibrant orange butterflies with black markings on their wings, perched on green, succulent-like plants. The background is a dense thicket of similar green foliage and some dried, brown leaves in the lower-left corner. The scene is brightly lit, suggesting a sunny day.

Mark 07:31 And again, departing
from the coasts of Tyre and Sidon,
he came unto the sea of Galilee,
through the midst of the coasts of
Decapolis.
